ABERTURA DE INSCRIÇÕES

POSTPONEMENT ADIAMENTO

Dear runners, due to unexpected technical issues, we are very sorry to have to postpone the opening of registrations for the 2026 EDP Lisbon Half Marathon.

We tried to solve it as quickly as possible, but it wasn't possible. We are working to fix the situation and will share a new registration opening date as soon as possible, with enough time for you to be ready.

We apologize to all the runners waiting to register today, and we sincerely appreciate your patience and support.
